

# Rio Rico Medical & Fire District

In Remembrance of a Life Lost,

It is with great sadness to hear the news of Deputy Guillermo Vasquez' untimely passing. He was a caring individual, with an infectious smile and magnetic personality. His ethics, morals, and dedication to law enforcement shall stand as a testament for others to follow.

On behalf of the entire staff of the Rio Rico Medical and Fire District we offer our most sincere condolences to the Vasquez family and to the fine men and women of the Santa Cruz County Sheriff's Office during their time of grief and sorrow.

God speed Deputy Vasquez may you rest in peace...

Adam Amezaga, Fire Chief
